DIRECTIONS FOR AFFILIATION

- 1) Select CAP or INDIVIDUAL membership. TSA has unified membership. This means no one may be a member of TSA, or participate in TSA activities/conferences, without affiliating at the local, state and national level. Individual chapters pay national and state dues (where applicable) for each student member. CAT chapters (most cost effective for chapters with 40 or more members) pay a "flat fee" for national and state dues and may affiliate an unlimited number of student members. Attach names and addresses of alumni members.
- 2) Calculate, all relevant national and state dues. Check the 2003-2004 Chapter Affiliation Booklet for your state dues. Overpayment of less than \$25 will not be refunded.
- 3) MAKE A COPY of your completed forms for your chapter records, and send a copy of each page to your state advisor.
- 4) Submit the completed original form and payment to National TSA for states with a direct affiliation. For indirect affiliations, send your completed original form and payment to your state advisor.

Select affiliation program on page two and complete payment information
